

## Putzmeister 47 MB

47m 41m 160m<sup>3</sup>/hr

Enjoy long reach with smart design with the 47mb Putzmeister. This five-section Z-Fold boom manoeuvres in, over and around obstacles for efficient concrete placement in difficult to reach places, yet still provides great vertical and horizontal reach.

### Working Range Visual:

### Technical Details:

Delivery Cylinder	250mm
Delivery Stroke	2100mm
Output	Max 160m <sup>3</sup> /h
Delivery pressure	85 Bar
Strokes per minute	31
Weight	37000Kg
Vertical reach	47m
Horizontal reach	41m
Front outrigger loading	245kN
Rear outrigger loading	250kN
Boom unfold height	9800mm
Length	11850mm approx.
Width	2800mm + wing mirrors
Width full rig front set up	9500mm
Width full rig rear set up	10500mm
Width short rig front one side	6000mm
(boom cannot operate over cab)	
Width short rig rear one side	7000mm
(boom cannot operate over cab)
